

**No fences.**

"From UNIX to NFS to Java technology - it's all but the network. First, last and always, that's our focus."  
- Bill Joy

"All of our R&D, all of our intellectual property investments, are dedicated to bringing the power of the Net to anyone."

**Do**

"Everything will be connected to the internet."  
- Bill Joy

"All of our R&D, all of our intellectual property investments, are dedicated to bringing the power of the Net to anyone."

"Sun has the strongest sense of direction among the computer hardware companies."  
- Rolf de Vegt, Renaissance Strategy

"The network is the computer"  
- John Gage

**No finish line.**

"The network is the computer."  
- John Gage

"Some companies change directions more often than I change the oil in my car."

"Sun was born to be an internet company 20 years ago."  
- Scott McNealy

"Here it's the Net."  
- McNealy

"If you want to know where the computer industry is going, ask Sun."  
- Merrill Lynch

"Number one in products, and economy."  
- Ed Zander
